

# BENEDIKT SCHRETER

*I am a responsible, flat & minimalistic design-loving Media Designer and Web Developer from Stams in Tyrol, currently studying Media technology and design at University of Applied Science Upper Austria and looking for an internship in the media industry.*

## PERSONAL DETAILS

Reliable, sometimes meticulous person with a strong social streak.

Ipsa facto comfortable with teams.

Important factor in works is a clear and reduced design, not at the cost of information provision and that makes use of harmonious typography, colour scheme & powerful pictures.

Fluent in German, English and advanced in Italian.

Superior computer skills and advanced technological comprehension.
